

## \$5000 Donation Received!

On August 13<sup>th</sup> 2009, the annual Walker-Bumstead Financial Inc. golf tournament was held at Cobble Beach Golf Links in Owen Sound, Ontario. This year, the Kelly Shires Breast Cancer Foundation was named as a co-recipient for the funds raised as part of this charity event.

The event is fully funded by Walker-Bumstead Financial Inc., including a pre-round lunch, the round of golf and a dinner to follow. All participants at the tournament are asked to make a donation in an amount of their choice to support the selected charities. This year, the Kelly Shires Breast Cancer Foundation was selected by Walker-Bumstead Financial as a deserving recipient, alongside The Owen Sound Family Physician Recruitment and Endowment Fund.

The tournament was well represented by the Snow Run. Marion and John *"which way to the hot tub?"* Mochrie tackled the challenging spa and hotel amenities. Brian *"anyone seen my golf ball?"* Fish, Pam *"the pink blur"* DeBoer and Chris *"I'll just putt this in from 50' away"* Evanshen tackled the links.

Following the dinner, Marion addressed the attendees to provide an overview of the Kelly Shires Breast Cancer Foundation, its goals and its fundraising efforts. Marion's speech generated some immediate follow-up interest (and an additional donation!) to the Kelly Shires Foundation.

Thanks to all who made this event a success, and special thanks to Walker-Bumstead Financial Inc. for their generous contribution!
